Upon roll call the vote was as follows:

Mr. Probst	Yes
Mr. Coffland	Yes
Mrs. Favede	Yes

**OPEN PUBLIC FORUM** – Mike Bianconi commented on the newspaper article in which former commissioner Mark Thomas states the county has been left in the best shape in the past eight years. Mr. Bianconi said that in the Commissioner meetings he has attended, it has been said the county is in terrible shape financially. He asked the board to comment or if they agree with this statement. Commissioner Probst stated that the board has been discussing how bad the state of the economy is for the last 18 months to two years. He noted it's not anyone's fault but the whole country is in sad shape and 2009 is going to be terrible. He said the commissioners are just trying to get a balanced budget. Commissioner Coffland stated they are working to make 2010 better than it is in 2009, noting "we have a lot of work to catch up on." Commissioner Favede stated, "It is a fact, Belmont County is in a very bad position financially." She explained the board is working every day on the budget and are faced with making cuts and trying not take away anyone's job.

Mr. Bianconi also remarked that the wish list regarding the stimulus money and the projects picked by the board were nice, but won't create jobs. He felt the picks should be looked at again and the monies directed to places such as the Burger Plant, Motor Panels or Wheeling-Pittsburgh Steel. Commissioner Favede explained that those suggestions don't fit into the category the board was asked to fill which were three water projects and three transportation projects. Mrs. Favede said the water and sewerage in Mt. Victory and Neffs are quality of life issues that are important. Commissioner Coffland added that they submitted shovel ready projects and only had four hours to put this package together. He noted the board followed the guidelines set down by Congressman Charlie Wilson. Commissioner Probst said he agreed with Mr. Bianconi that jobs are needed to stimulate the economy and said things would be totally different if the commissioners were in charge of the stimulus package. Commissioner Favede noted that projects submitted were ones that could be completed in three to six months.

Department of Development Executive Director, Sue Douglass, thanked the board for appointing her to the Eastern Ohio Development Alliance and the OMEGA board. She stated they are very important networking tools for businesses and development projects in Belmont County. She also spoke of a program through Belmont Technical College and Ohio University Eastern called "Get Training That Works". There is approximately \$100,000.00 of available monies that needs to be applied for by the end of February to help business with 100 or less employees get employee training. Mrs. Douglass stated that her office is emphasizing on retention of jobs that we have and keeping our local businesses healthy.

Commissioner Favede presented Art Thompson with an award from the Jefferson-Belmont Regional Solid Waste Authority. He had been unable to attend the banquet that was held for this presentation due to illness. He won the Litter Prevention Award for cleaning litter in his community along with his wife Dorothy.

Richard Hord asked for financial reports regarding carry over monies for 2008-2009. Fiscal Manager Cindi Henry will provide this information to him noting the General Fund monies are reduced greatly.

Mr. Hord asked how much savings is anticipated from the addition at the jail. Commissioner Probst advised the savings could be from \$200,000 to \$400,000 per year for transport and housing costs. Along with that comes the increased cost for food and utilities. He stated the jury is still out on that and the Sheriff is working on contracts to sell some of the jail space. Mr. Probst said video arraignments are also being looked into to save transportation costs.

Dave Totterdale thanked Engineer Fred Bennett for maintaining roads in the northwest portion of the county. He voiced his concerns over lack of any stimulus monies being directed to northwestern Belmont County. He said he had to drill a new well and it only provides seven gallons of water an hour. His neighbors have all had to drill for new wells. He wanted to know what happened to the three counties working together on a water project. Commissioner Coffland replied the three counties are still working together, but the project is not where they would like it to be as of yet. He further advised that Hendrysburg has not been forgotten. A possibility that Mr. Coffland has looked into is if water is brought to the Eastern Ohio Regional Industrial Park that it be extended to other areas. Commissioner Probst said Port Authority Director Larry Merry is working on this project. Mr. Merry said that they were unsuccessful in getting grant monies for the feasibility study for this project but he is still in discussion with the other 2 counties. Mr. Merry said he is hopeful that water will be extended to the Industrial Park site within a year opening up the possibility of extending it to other areas if funding can be obtained.

**IN THE MATTER OF ANNEXING TERRITORY OF  
58.597 ACRES, 0.611 ACRE AND 5.244 ACRES  
TO THE CITY OF MARTINS FERRY, OHIO, PEASE  
TOWNSHIP/COMMISSIONERS CONSENT GRANTED**

Present: Engineer Fred Bennett, Drafting Tech Ruth Graham and Attorney Keith Sommer.

Ruth Graham presented maps to the board which the Engineer's Department had checked for accuracy. Mr. Sommer advised it is the desire to have this road annexed into the city limits which will enable the city to provide services including police protection, etc.

Motion made by Mrs. Favede, seconded by Mr. Probst to adopt the resolution granting consent for the annexation of territory consisting of 58.597 acres, 0.611 acre and 5.244 acres to the City of Martins Ferry, Ohio, Pease Township.

**RESOLUTION**

Pursuant to Ohio Revised Code 709.021 and 709.022, Thomas E. Ayers, President of Petitioner, Ayers Limestone Quarry, Inc., and Nick Stankovich, Superintendent of The Board of Education of the Martins Ferry City School District, filed petition praying for the Annexation of certain real estate containing 58.597 acres, 0.611 acre and 5.244 acres in Pease Township to the City of Martins Ferry, Ohio. Said petition was filed with the Clerk of the Belmont County Board of Commissioners on February 4, 2009. The Board of County Commissioners, Belmont County, Ohio, finds, upon a preponderance of the required documentation and pursuant to Section 709.021 and 709.022 of the Ohio Revised Code, that:

1. The Petition meets all the requirements as set forth in and was filed in the manner provided for in ORC 709.021 and 709.022-Expedited Type 1 Annexations. The parties stipulated that the annexation had met all procedural revised code requirements.
2. The persons who signed the petition are the authorized agents of the owner of real estate located in the territory to be annexed in the petition, and as of the time the petition was filed with the Board of County Commissioners, the signatures on the petition constituted all owners of real estate in that territory. ORC 709.02(D)
3. The municipal corporation to which the territory is proposed to be annexed has complied with ORC 709.021 and 709.022. The Board specifically finds the Ordinance No. 2008-10 of the City of Martins Ferry, Ohio, and Resolution No. November 19, 2008 (5), of the Pease Township Trustees and subsequent Annexation Agreement between City of Martins Ferry, Ohio (the City), Ayers Limestone Quarry, Inc. (Ayers), The Board of Education of the Martins Ferry City School District (School District), and the Township of Pease, Belmont County, Ohio (the Township), substantially complies with the requirements of ORC 709.021 and 709.022.

It is therefore ordered that the prayer of the petition be and is hereby granted and that the territory described in the petition be annexed to the City of Martins Ferry, Ohio.

It is further ordered that the final transcript of this Board relating thereto, together with the accompanying plat and petition and all other papers pertaining thereto, be delivered forthwith to the Auditor of the City of Martins Ferry.

Motion made by Commissioner Favede, seconded by Commissioner Probst to adopt the foregoing resolution and upon vote, the resolution was unanimously adopted.

Adopted February 4, 2009.
